Oxford and District Trades Union Council

Please don't forget to send us this completed Affiliation Form as well, as it is not always easy to work out from the Bank Statement who has sent money and it is our best way of checking our distribution lists are up to date.

Please note that affiliation must be renewed each year.

Delegates may be prevented from taking part if their branch affiliation (and payment) is not received by the March meeting.

If sending this form via your union's regional or national organisation, please remember that there is sometimes a significant delay in us receiving the form and payment.

Thank you!

We would like to thank you and your branch for affiliating to Oxford and District Trades Union Council.

We rely on the efforts of volunteers to continue our work on behalf of union members in Oxfordshire.
